NOTE ABOUT BRANCHPOINTS:
Where there is more than one jump within a branchpoint box, the jumps are to be applied in order from the top.

NOTE ABOUT COLORS AND MODE:
All question text in black is for the core interview (except if CAPI and CAWI text is the same).

Question text and codes in teal denotes CAWI (Web). The CAWI text will always be directly after the CAPI text. If wording is the same in both CAPI (Iwer Administered) and CAWI (Web), the text is black.

Otherwise, black text for codeframes, interviewer instructions, jumps and branchpoints, etc., which can apply to both the CAPI and the CAWI interview unless specified otherwise or there is a CAWI alternative.

On a black-and-white hard copy of the document, the TEAL text will appear somewhat lighter than the original black.

NOTE ABOUT NON-RESPONSE FLOW:
ANY QUESTION THAT IS ASKED BUT LEFT WITHOUT A RESPONSE IN CAWI INTERVIEWS WILL FOLLOW THE SAME PATH AS A REFUSAL FOR THAT QUESTION, UNLESS OTHERWISE SPECIFIED.

MAJOR FLOW CONTROL, CONDITION AND FILL VARIABLES
IF RANDOM (1-10) = 10, or if = 7 and A019 > 65
IF THIS IS A PROXY INTERVIEW (A009={2 or 3}), GO TO END OF MODULE 8 [SELF-INTERVIEWS ONLY]
A019 – R’s current age to establish which survey Rs get -- 7A or 10.
Sample: Age 65 and over (or 70 and over – TBD)
Place the following text crediting PACIC on the first page of the documentation. Not needed for the CATI/CAWI applications:

Questions adapted from Patient Assessment of Care for Chronic Conditions (PACIC) instrument, Copyright 2004 The MacColl Center for Health Care Innovation, Group Health Cooperative

**V751 BRANCHPOINT:**
ASK IF THIS IS A SELF INTERVIEW (A009=1) AND X009 = 10 AND A019 > 65, OR
ASK IF THIS IS A SELF INTERVIEW (A009=1) AND X009 = 7 AND A019 > 65, ELSE GO TO END OF MODULE

V751

Have you received any medical care for a chronic condition over the past 2 years?

DEFINITION: A chronic condition is a health condition that requires ongoing monitoring by a health care professional.

1. YES
5. NO .................. GO TO ACTIVITY MODULE
DK .................... GO TO ACTIVITY MODULE
RF ..................... GO TO ACTIVITY MODULE

V752

Staying healthy can be difficult when you have a chronic condition. We would like to learn about the type of help that you get for your condition from your health care team. This might include your regular doctor, a nurse, or a physician’s assistant who treats your illness.

1. CONTINUE

V753

All of the questions that follow are about the medical care you received for your chronic conditions over the past 2 years.
First, over the past 2 years when you received care for your chronic conditions, how often were you asked for your ideas when making a treatment plan? Would you say none of the time, a little of the time, some of the time, most of the time, or always?

All of the questions that follow are about the medical care you received for your chronic conditions over the past 2 years.
First, over the past 2 years when you received care for your chronic conditions, how often were you asked for your ideas when making a treatment plan?
