NOTE ABOUT BRANCHPOINTS:

Where there is more than one jump within a branchpoint box, the jumps are to be applied in order from the top.

NOTE ABOUT COLORS AND MODE:

All question text in black is for the core interview (except if CAPI and CAWI text is the same).

Question text and codes in teal denotes CAWI (Web). The CAWI text will always be directly after the CAPI text. If wording is the same in both CAPI (Iwer Administered) and CAWI (Web), the text is black.

Otherwise, black text for codeframes, interviewer instructions, jumps and branchpoints, etc., which can apply to both the CAPI and the CAWI interview unless specified otherwise or there is a CAWI alternative.

On a black-and-white hard copy of the document, the TEAL text will appear somewhat lighter than the original black.

V000 BRANCHPOINT: ASK IF THIS IS A SELF INTERVIEW (A009 =1)
ELSE, GO TO END OF MODULE

Although we have finished the interview, we would like to ask you just a few new questions. Some questions may be similar to questions we have already asked, but we are interested in how people respond when the questions are changed just a little. This will only take a few minutes.

[INSTR: IF R REFUSED BEFORE STARTING A MODULE, ENTER 9. IF R STARTED TO DO A MODULE AND THEN CHANGED HIS/HER MIND, ENTER 99.]

V651

This next short section is about problems with substances, such as medications, other drugs, tobacco and alcohol, that our Health and Retirement Study participants might have. We realize that we’ve asked you about a few of these issues earlier, but at most this section will only take about 2-3 minutes. These are the types of questions, developed by the National Institutes of Health, that are routinely asked in many doctors’ offices and in hospitals because of the recent concern about these substances among Americans.
